

The creation story

On the first day the earth was formless and dark.

God said: Let there be light, and there was light.

God called the light 'day' and the darkness 'night'.

On the second day God made the sky. And god saw that it was good.

On the third day God made the land and the water.

Then he made plants.

And God saw that it was good.

On the fourth day God made the sun for the day, and the moon and the stars for the night.

And God saw that it was good.

On the fifth day God made all the animals in the air (birds) and in the water (fish).

On the sixth day God made all the animals that live on earth.

Then he said: I'll make a man. He shall look like me. Then he made a man and a woman

and said: Have many children and live all over the earth.

He blessed them and said:

You are the ruler of all fish,

birds and wild animals.

And God saw that it was good.
